

draw\_instructions

```
graph LR; A[draw_instructions] --> B[draw_sprite_xpm]; B --> C[paint_pixel];
```

A flowchart illustrating a sequence of three steps. The first step, 'draw\_instructions', is contained within a gray rectangular box. A blue arrow points from this box to the second step, 'draw\_sprite\_xpm', which is in a white box with a black border. Another blue arrow points from the second box to the third step, 'paint\_pixel', also in a white box with a black border. The boxes are arranged horizontally from left to right.
