

mouse_read_data

```
graph LR; A[mouse_read_data] --> B[mouse_write];
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'mouse_read_data'. The right box is white with a thin gray border and contains the text 'mouse_write'. A solid blue arrow points from the right side of the gray box to the left side of the white box, indicating a directional flow of data or information.
